Every 4 Years, the New England Conferences of The United Church of Christ host a celebration for all women. This year, the event will take place in Portland, Maine (GORGEOUS!) and is after Easter (GREAT TIMING!).

The United Parish would love to get a group of women together to share this experience. Interested parties can carpool, share hotel rooms, enjoy solitary time, small group time with our church family and take some time to talk to faithful women throughout New England.

Let's make new relationships while we strengthen the roots of our current relationships with each other.

The deadline for early registration is February 15<sup>th</sup>. If you are interested in this opportunity, let Jessica Murphy know by February 10<sup>th</sup>, and we will register and reserve a block of Hotel rooms all together.
