- Learn the who, what, when, where and why about church services.
- Have an opportunity to practice being a reader, usher, greeter and even a leader in service.
- Celebrate fellowship and the joy of Jesus with your friends.
- Figure out what the scripture means to you!

A Special Note for Parents:

Each week that we have Young at Heart Services, the reading and message will be based on the same readings occurring in the sanctuary. The children will receive the message in a way they can understand, while using mixed media to reinforce how God is speaking to them.

Offerings will be taken during this service and will be in the form of a missional offering as we have done in the past. Usually the children will collect items more often than they will collect money.

Of course, it is encouraged that parents attend regular church service while the children are at Young at Heart Services. However, so long as your child is registered with the Christian Education Department (registration must be updated every year), this service may be a drop off event. We just ask that you pick your child up from the vestry by 11:00 am.
