

YOUTH EMPOWERMENT FUND

The Youth Leaders have agreed to start a fund that will benefit all children and youth who are looking to embark upon and strengthen their Faith Journey. The Youth Empowerment Fund will help pay for the High School Youth Group biyearly mission trips, church-wide mini missions, retreats, team building activities, bible camps and Vacation Bible Camp. All children and youth are invited to, and expected to, help with fundraising efforts, as a family works together to accomplish goals for one another.

Proceeds from several annual youth-led fundraisers go to support the fund and the Youth are grateful for the support of the church family.
