A Very Special Thank You Message:

This past month has been one of growth and movement for our United Parish Youth Groups, both Junior and High School. They have made a lot of plans, have participated in many bonding activities and have embarked on adventures that will take them to unknown, yet wonderful places.

They could not have done this, or started this journey without the help of three very special leaders. Brian Yurewicz has been doing a stellar job of organizing and planning activities with the Junior Youth Group. The kids and parents have eased right in to his leadership. Beth LaCross and Kathleen Ballard have put their hearts into organizing the 2017 Summer Mission Trip for our High School Youth. They have researched, looked into and implemented a fair number of fundraisers and have begun to generate ideas for team building activities. Because of the leadership that these three have taken on, the United Parish will be able to offer our Youth a rich and faith-filled experience that will carry with them throughout their lives.

As Christian Education Director, and a parent to one of the Youth Group members, I would like to say Thank You for your service to our church family!
