

Access for All ReVision Committee

Phase One is underway! After our information session on Sunday May 6th, we kicked off phase one with the Building and Grounds committee moving the Early Learning Center items out of the upper vestry and onto shelving in the basement. Thank you B&G committee! Our next space to begin work will be upstairs in

Memorial Hall. As that space will be transformed into an ELC classroom, there will be much to do in that area. We will be painting, adding a kitchen sink and cabinets, and making other adjustments for our wee ones.

Thank you to everyone who have offered their time, skills and prayers by filling out a sign up card. You will be hearing from us as we schedule projects over the summer. In addition, the committee will soon begin discussing Phase Two projects.

Look for updates here in the Spire!
