To fulfill our Baptismal covenant and nurture our children in faith as well as to be in compliance with the safe church policy, parents as well as the congregation at large are asked to prayerfully consider serving the church as a Christian Education Leader or Activity Chaperone.

No previous experience required. We will hold a detailed leader training/orientation session before the fall programs begin when all adult leaders and potential chaperones will be required to fill out a CORI form and Volunteer Application. Our Christian Education Director would be happy to answer any questions you may have. Thank you in advance for helping us to ensure safety for all of our children.

If you feel you are being called to inspire a love for Jesus and respect for the Bible in our children and youth, please enter "YES" here _____. Someone will contact you by early fall to inform you of additional details.
